Subject: FW: Inquiry from Rob Alvey on EDDs for Northrop/Grumman - Navy Bethpage

Hi Steve and Henry. I am forwarding to you the below e-mail from Rob Alvey. When you have the chance, please verify whether the Navy, NG, and their contractors are submitting all their data to DEC as EDD submittals. I know that you have a lot going on these next two weeks regarding preparation for the meeting with Saladino, as well as the upcoming quarterly meeting, RAB meeting, etc., so we don't anticipate a response from you until the week of Nov 2nd at the earliest.

Thanks,
-Carol-

Subject: Northrop/Grumman - Navy Bethpage

Hi Carol,
With the work progressing, I'm under the assumption both Arcadis (Grumman) and Navy are submitting all of their vpb geology and sampling data to NYSDEC as EDD submittals. I would like to get an inventory on what's available, and get copies available in or Region 2 EDD. Can you check with Steve and Henry?
